MATTAPOISETT SEWER APPROVED

Voters at the Special Town Meeting April 11 approved the proposed sewer and tie-in to the Fairhaven treatment plant. Mattapoisett's share of the project will amount to $500,000.00 of the $2.5 million total. A federal grant is for $1,670,000 and Massachusetts will fund $330,000.

The present proposal will sewer the central village with a loop to Oakland Street to take care of an area that has caused problems at the town beach.

The project has an estimated building time of 2 years and is scheduled to start in the fall of this year.

BLASDALE IS CHAIRMAN

The Mattapoisett Board of Selectmen reorganized following the town election and R. William Blasdale was nominated and voted to remain as chairman. Newly elected Selectman John DeCosta was named clerk.

Robert Cattley of Water Street greeted the newly organized board with his personal congratulations for the job that the Selectmen had done at the Town Meetings. Mr. Cattley said that he felt the Selectmen had contributed valuable information whenever needed and expressed his admiration for these contributions which he found most valuable in the complex issues before the voters.

The Board of Selectmen voted to approve a contract with the Town of Wareham. Stephen J. Lombard, executive secretary, had investigated the possibilities in surrounding communities to keep stray Mattapoisett dogs and he recommended the Wareham proposition as in the best interest of the town. Wareham will pick up Mattapoisett strays for a fee of $7.00 per trip and will charge $3.00 per day for the boarding and feeding of dogs in the kennel. When the deadline for owner pickup has elapsed (10 days), Mattapoisett Dog Officer will be responsible for disposition.

Owners will deal with the Mattapoisett Town Hall to claim dogs. They will pay the license fee and boarding fee in Mattapoisett and then receive a release needed to pick up the dog in Wareham. The first offense is a warning. The second is a $25.00 fine and a third offense will be subject to action in the court.

SEWER ACTION

Selectmen submitted an application to extend the sewage discharge permit until June 30, 1978 from July 1, 1977.

NED'S POINT CLOSING AT 8 P.M.

Selectmen will instruct the Mattapoisett Police Department to strictly enforce the 8 P.M. deadline of Veterans' Memorial Park at Ned's Point for the drinking of alcoholic beverages. The problem of discarding beer cans and broken glass containers has been unsightly and expensive and the Board of Selectmen wishes to bring the problem to a stop. It was noted that most of this drinking is done at night after the park is officially closed for allowing such consumption.

HISTORIC SITE SEARCH

Harvard University was awarded a contract in the amount of $1501. for an archaeological study on the sewer pumping station as required as part of the grant specifications. The Massachusetts Historical Commission must approve.

MOSQUITO SPRAY BID

SANDWICH IN THE SPRING PHOTOS OPPOSITE EARLY COLONISTS

THEY DID NOT TAKE LONG TO DISCOVER AND BUILD OUTSIDE OF PLYMOUTH. THE MANY ANCIENT STRUCTURES IN OUR MIDST TESTIFY TO THAT. THE IMPOSING HOME IN CENTRAL SANDWICH, UPPER LEFT, LOOKS MOST NATURAL WITH ITS COLONIAL FLAG ON DISPLAY. IT WAS BUILT IN 1693. THE TOBEY HOUSE, UP THE ROAD A WAY, (UPPER RIGHT) WAS BUILT 3 YEARS EARLIER IN 1690 AND STILL IS A WELL KEPT DWELLING FOR A SANDWICH FAMILY. THE CENTER PHOTOS OF THE OLD MILL AND THE POND BEHIND IT ARE THE SETTING FOR ONE OF THE MOST BEAUTIFUL SQUARES OF ANY TOWN ON THE CAPE. WATER FOWL OF ALL TYPE FIND THIS A REFUGE AND A FEEDING GROUND OF GREAT BENEFIT. THE EARLY SALTBOX IN THE BOTTOM PHOTOS SHOWS ITS AGE IN THE TINY WINDOWS AND PILGRIM ARCHITECTURE. THIS ANCIENT STRUCTURE OVERLOOKS THE CENTRAL POND.

ANTIRECESSIONAL FUNDS

Mattapoisett has received a $7232 check for the calendar quarter beginning April 1, 1977 under Title II of the Public Works Employment Act of 1976. Funds received are banked to draw interest until disposition can be made by the town meeting for salaries, benefits, cost of living increases and other expenses related to maintaining the existing work force of the town.

DEED OFFER

Selectmen received a request from Earl Boardman of Holly Woods that the town accept a deed for all of Holly Woods Road. The Selectmen determined that the request is subject to a review of the plan by the Planning Board.

SUPPORT PETITION

Selectmen voted to support a petition initiated by the Board of Selectmen of Northborough. The petition requests that the Governor's budget messages be delivered prior to January 1st of each year, ensure that the Cherry Sheet is available to all municipalities prior to February 1st of each year, ensure that a supplemental appropriation be adopted, which will bring the funding to municipalities in the Commonwealth to a level at least equal to that of last year's funding, and finally ask that the Governor actively support legislative reform of the formula and method of disbursing funds to municipalities in the Commonwealth.

DOG TAGS

Owners of dogs in Mattapoisett are reminded that dogs must be licensed. The deadline for getting your dog tags was April 1st. Anyone who has not picked up their dog's license yet may do so at the Town Clerk's Office, Mattapoisett Town Hall, during regular office hours.

LARGE CONVOY COMING TO TOWN

Hey Good Buddy, on Friday, April 22, a fleet of more than 50 trucks and trailers will be rolling into Mattapoisett. This convoy will include everything from the latest eighteen wheelers to old "Bulldog" Mac's, model "T's", tractors and construction equipment. Don't expect a long, noisy parade of trucks highballing down Route 6, but instead a display of hand crafted models built and owned by a local resident, James Nunes of Mattapoisett. This exhibit is unique in that it not only includes just about every model truck and trailer kit ever sold, but in addition, a large selection of models "scratch built" by Mr. Nunes from photos and manufacturer's specifications.

This model display along with many others including an operating model railroad, circus models and memorabilia, historical and military figures plus many others, will be exhibited at the Old Hammondtown School on Shaw Street, in Mattapoisett starting April 22 for three days. The Lions Club of Mattapoisett and the Carl Hagenback Ring of the Circus Model Builders International are co-sponsoring the event. The hours will be from 7 to 10 P.M. on April 22, 10 A.M. to 10 P.M. on April 23, and from noon until 6 P.M. on April 24. If your interests run from an old model "T" to an 18 wheel "Peterbuilt" you'll find it on display in Jim Nunes' exhibit.

SCHOOL VACATION PROGRAMS

The Children's Museum will be offering special children's programs during the week of school vacation. These programs will take place during the afternoons at specified times. There is a small donation charged non-members and is free to members. These programs will be held at the Children's Museum in Russells Mills.

BEES AND BEEKEEPING - Wednesday, April 20, at 3:00 P.M. The bee is one of the most fascinating and yet most feared of animals. Every child knows enough to leave the bee alone, but few know how important bees are to our lives, or how man has learned to raise the bees and make them work for him. Joe Tardiff, a professional beekeeper in Dartmouth, will explain to the children the lives of bees and the work of a beekeeper.

LIFE IN A DROP OF WATER - Thursday, April 21, at 2:00 P.M. Did you ever take a look at a drop of water? What did you see? Come to the Children's Museum Thursday to have a real close look, with the aid of a projecting microscope. You will be

ENERGY - WHAT IT IS AND WHY WE NEED IT - Friday, April 22, at 2 P.M. Gas, oil, wind, coal, nuclear are all words that we've heard a lot about recently. That's because they are all forms of energy, something we seem to be running out of these days. Mr. Shurtleff, a representative for the New Bedford Gas and Edison Light Company, will give a talk with a short film at the Children's Museum to teach children about energy; what it is, its different forms and why we need it and how to use it wisely.

MAKING MAY BASKETS - Saturday, April 23. The Saturday afternoon program will be a craft program for the children. They will be instructed in the making of May Baskets. All materials will be supplied by the Museum and children will take home their basket after the program.

THE SOIL AND YOUR GARDEN

This Saturday morning's field walk at the Museum Outdoors will deal with soil properties and how they affect your garden. Visitors will be shown how to test their soil, what the tests indicate and how to remedy any deficiencies in the soil. Visitors who wish to do so may bring a sample of their garden soil to be tested that morning.

This field walk will take place at the Museum Outdoors, 100 Old Westport Road, in North Dartmouth, Saturday morning, April 23, at 10:0. Admission is free and all adults as well as children accompanied by an adult are welcome.

of 0 to 5. Craig DeLuca and Scott Russell have each won 3 matches in the singles group while the doubles team of Tom Marvin and Jeff Dickerson has won twice.

The girls' track team has won their first five meets as well as being champions in the Somerset Relays. There were seven other teams from the area competing in these relays against ORR. Several school records were set at this meet. They were in the shot put, discus, javelin, high jump, 4 x 880 relay, and distance medley. The team also set two meet records in the javelin and the shuttle hurdles.

One school individual record has been broken already and that was in the discus. Maggie Lowe hurled the discus 93'7" to set the new record.

A LAMENT

The following poem was sent to us by Mrs. Howard Crowell as a greeting to Joe Pond on the closing of Sylvia's Market.

A LAMENT

O, for the old-fashioned Grocery store
Where shopping was a pleasure instead of a chore.
The white-coated owner stood ready to please
And there you could shop with the greatest of ease.

His greeting was cheery and his smile was contagious
No matter, if weather and news were outrageous
He knew who you were and called you by name,
So every one felt some claim to fame.

If you were sick, he'd send things around,
And you discovered 'a friend you had found'.
If you had no cash that day
He would patiently wait until you could pay.

Many a poor child found food on his table
When his father to settle had been unable.
So we're sorry to see the sign "Closed" on the door
Of this wonderful old-fashioned Grocery Store.
